Dear Parents/Carers,

Children in Need

We had lots going on last week so the support of the School Council was fantastic. Well done, School Council! See below how much fun everyone had on Friday.

Year 1

Year 1 had a fantastic day showing the school value of enjoyment for Children in Need. They learnt how to draw Pudsey Bear, relaxed with some cosmic yoga, had a disco dance to their favourite songs, took a break to enjoy some snacks, and even had time for some classic party games!

Year 2

Year 2 had lots of fun celebrating Children in Need on Friday. The children decided that they wanted to wear yellow or spots for the occasion, I'm sure you will agree that they look fabulous! As this year's Children in Need had a focus on wellbeing, we made cards for the all of the children in the class to celebrate everything that makes us wonderful. The children also enjoyed their disco party...there were some terrific dance moves!

Year 5

Year 5 had lots of fun on Children in Need Day, as well as raising money for a very important charity. We all came to school in non-uniform and learnt all about Children in Need Day, including watching Joe Wicks complete his 24 hour fitness challenge! Everyone had a wonderful time in the sunshine, taking part in an autumn scavenger hunt. We found lots of interesting things on our field and had lots of fun, exercise and fresh air. To finish off the day we watched The Emoji Movie.

Year 6

Year 6 have been learning about the positive impact Children in Need can have on young people: Venture Arts investment - supporting children's creativity, Iggy the support dog and specialist therapists who have taught children Makaton and brightened up the lives of those children who have fallen ill. The class also took part in Pudsey related maths activities and enjoyed a movie in the afternoon having each donated money to the charity - a lovely way to end the week.

Christmas Cards

It is nearly the time of year when Christmas cards begin to be handed out. We want to be able to do this but in a safe way. If your child wishes to bring in Christmas cards to send out to those in their class, we would like all cards to be brought into school on a **Friday**. Each class will have a Christmas card box, where cards can be left over the weekend in quarantine. They will then be handed out the following week.

The Youth Sport Trust

The current lockdown means that children are missing out on lots of extra-curricular sports clubs. The Youth Sport Trust are hosting a virtual after school club on their You Tube channel every day at 5pm from Thursday 12th November until Friday 18th December. Follow the link for more information. "

Reading For Pleasure Award

Last weekend, Miss Cleveland attended the virtual ceremony for the Egmont Reading for Pleasure Teacher Awards. Egmont Publishing, in partnership with The Open University and UK Literacy Association, aim to recognise teachers, support staff, and schools whose research-informed practices make a real difference to children's reading for pleasure. Miss Cleveland was delighted to be Highly Commended as a School Reading Champion for all the work she has done at our school to help foster a love of reading in our pupils and staff and sharing best practice with other schools. Well done Miss Cleveland, you are a superstar! The children love your book recommendations, and the school recognises all the hard work and support you give to encourage reading for pleasure. A well-deserved award - congratulations!

Lockdown

Please be mindful of national restrictions during these difficult times.

Illness in school

Can we remind parents that any child who has any symptoms related to COVID must not be sent into school. These symptoms include:

- High temperature
- a new, continuous cough
- Loss of taste/smell

To reiterate—if we do have children experiencing these symptoms in school, we will contact families ASAP. Children will be asked to be collected from school. Families will also be advised to book a COVID test and share the results of this with the school.

COVID Testing

If your child shows any symptoms linked to COVID19 we will ask that you take them for a COVID test. Until you have a test outcome the government recommends that the family should isolate. This means that siblings of symptomatic children who have undergone testing should not be in school. If a negative result is returned, then the children can return to school. We ask that families communicate test results with the school ASAP so that we can support the individual and the whole school community.

Weekly Reminders

Parents/carers remember to social distance from one another when you are on the school site. Please wear a face mask whilst on the school site.

Use the one-way system to walk to each area of the playground, please do not walk across different year group areas of the playground. For example, if your child is in year 1/2 **do not** walk across the designated area for years 5/6, use the one-way path.

Parent/carers must keep walking and not stop on the one-way system. If you want to attend to your child by giving them their bag and water bottle, please, step to the side of the one-way path and use the designated playground.

Children **must** stay with the adult who drops and picks them up. Children must not run anywhere on the school site or run under the barriers.

Adults and children must stay on the designated playground allocated for their child's/children's year group. If you need to go from one playground to the other, then walk around the back of the playgrounds not against the one-way system.

Thank you as always for your continued support and understanding, it is much appreciated.

Yours sincerely,

V. MacDonald
