ENGLAND**

Mondays

5pm - 6pm & 6pm - 7pm

at Drapers' Hall, Coventry

Creative Sounds is a free, inclusive music group delivered by Coventry Music and MAC Makes Music. It is an after-school opportunity for young people who are interested in learning to play new instruments, write songs, experiment with technology and make new friends.

Creative Sounds is open to young musicians of all abilities and with the aim to help support people with additional needs and disabilities with their musical ambitions.

There is no need for any previous experience, just a desire to get creative and have fun!
